The Spartanburg Water System and Sanitary Sewer District were awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada for their respective comprehensive annual financial reports (CAFR). The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents the fifth consecutive year to achieve this prestigious award.

The CAFR has been judged by an impartial panel to meet the high standards of the program, including demonstrating a constructive "spirit of full disclosure" to clearly communicate financial information and motivate potential users and user groups to read the CAFR.
