Awards Presented at Environmental Conference in Myrtle Beach

Spartanburg Water officials announce that the Spartanburg Sanitary Sewer District received ten Facilities Excellence Awards at the S.C. Environmental Conference sponsored by the Water Environment Association of South Carolina and the American Water Works Association's South Carolina Section. On March 24, 2009, in Myrtle Beach, S.C., the SC Department of Health and Environmental Control presented their Facilities Excellence Awards for the following wastewater treatment facilities:

Clifton Converse	Cowpens	Fairforest	Fingerville
Idlewood	Lower North Tyger	Pacolet Mills	Page Creek
RB Simms	South Tyger		

These awards are given to facilities who demonstrate excellence in facility operations, maintenance and management and the protection of the environment while meeting or exceeding customer expectations. The ten awards represent every facility that was eligible.

Spartanburg Water's staff is committed to being good stewards of the environment and protecting public health, as demonstrated by the receipt of these awards.
