### **Earth Day Contest Winners Announced by Spartanburg Water**

Spartanburg, S.C. (May 24, 2010) -- In an effort to teach students about how to conserve water and protect local rivers, lakes and streams, Spartanburg Water continued its Earth Day competition program for local elementary schools. Participants came from the following schools: O.P. Earle Elementary, Cooley Springs-Fingerville Elementary, Chapman Elementary, Pacolet Elementary, Boiling Springs Intermediate, and Park Hills Elementary.

Fifth grade students submitted t-shirt designs for Spartanburg Water's upcoming Lake Sweep in September of this year. The first place winner's design will be used for the official event t-shirt. This year's winners include:

- First Place: Elvira Kondora, Holly Springs-Motlow Elementary
- Second Place: Austin Farmer, O.P. Earle Elementary
- Third Place: Evelyn Orozco, O.P. Earle Elementary
- Honorable Mention:
  - Chase Turner, Boiling Springs Intermediate
  - Abigail Ann Jolley, Holly Springs-Motlow Elementary
  - Ashley Bryant, Pacolet Elementary
  - Bryce Wilkins, Boiling Springs Intermediate

First, second and third place winners will receive savings bonds.

**Spartanburg Water, An Award Winning Utility**
