**SPARTANBURG WATER SYSTEM  
Hampton Heights Area LINE REPAIR ADVISORY**

**Effective Dates: 8-1-22 until further notice**

**To Spartanburg Water Customers on  
S Hampton Drive and Pinckney Ct**

Spartanburg Water System experienced a water main break that has affected the water service in the areas noted above. Customers may experience a brief interruption of service or a reduction in normal water pressures. The affected water main is being repaired as quickly as possible. Once repaired, the affected area will be thoroughly flushed and tested to assure that no contamination has occurred.

**There has been no confirmed contamination of the water system in this area.** However, as a precautionary measure until test results can be reviewed, customers are advised to boil water intended for drinking or cooking vigorously for at least one (1) full minute prior to use. Also, any ice made from water that has not been boiled should not be used for drinking purposes.

**This advisory will remain in effect until further notice.**

The Spartanburg Water System is working to correct the problem as quickly as possible, and will notify its customers when the issue is resolved.
