#### **Lake Bowen Landing – Bioretention Feature Installation**

The Commissioners of Public Works of the City of Spartanburg will accept proposals for installation of a Bioretention Feature located at the Lake Bowen Landing in Boiling Springs, South Carolina. This project is partially funded by a South Carolina Department of Health and Environmental Control (SCDHEC) Bureau of Water, Section 319 Nonpoint Source Program Grant. The project will include grading, installation of a bioretention cell and associated landscaping. Proposals must be submitted to the Spartanburg Water Asset Engineering Group located at 301 South Ave., Spartanburg, SC 29306 by Tuesday, May 11<sup>th</sup> at 2:00 PM EST.

Information regarding the project may be obtained from Janet Hurley Cann, P.E., Project Manager at Spartanburg Water, 301 South Ave, Spartanburg, South Carolina, 29306 by telephone 864-598-7285 or email [jcann@spartanburgwater.org](mailto:jcann@spartanburgwater.org) or from the Spartanburg Water website at <https://www.spartanburgwater.org/current-opportunities>.

In its sole discretion, the Spartanburg Water reserves the right to accept or reject any and all proposals.

It is the policy of Spartanburg Water that local Minority and Women Owned Enterprises (MWBE's) shall be afforded the opportunity to participate fully in the overall procurement process of Spartanburg Water. This is an equal opportunity solicitation.
