

### Watercraft Permits - 2021

**If this is your first time permitting a boat or watercraft – or if you prefer to renew your boat permit in-person – the process will look a bit different this year.**

To assist you with the permitting process while keeping you safe, Spartanburg Water has installed contact-less walk-up windows at both the Lake Bowen Wardens' Office (8515 Hwy. 9, Inman) and Lake Blalock Wardens' Office (1925 Sandy Ford Rd., Chesnee).

**Lake Bowen Wardens' Office walk-up window is open Monday-Friday, 7:30 a.m. - 4 p.m.**

**Lake Blalock Wardens' Office walk-up window is open Monday-Friday, 7:30 a.m. - 10 a.m.**

**Weekends by appointment only.**
