Bids must be submitted in a sealed envelope with the address of the bidder shown on the outside of the envelope. The bid must be submitted on the attached forms **Exhibit C-E**

Bid specifications and any addenda will be posted at the following address: <https://www.spartanburgwater.org/current-opportunities>.

2. II Specifications to read:

The 1” meter box bid should meet or exceed item YL111-444-LL-NL provided by The Ford Meter Box Company, Inc as specified below. Estimated annual usage of meter boxes is 50 units.

3. The meter box shall have a 1” grip joint inlet and 1”FIP (female iron pipe) thread outlet connections. The center line of the meter and the service line connections shall be located 9” below grade.

4. IV Requirements Inventory to read:

SWS agrees to purchase a minimum of 1500 units (5/8 X 3/4 meter boxes) from the winning bidder. The Owner will accept three quarterly deliveries of 500 units. The first shipment to be delivered during the month of September 2023 and the final delivery in March 2023 after review and approval of contract for goods. *The pallet of meters should be stretch wrapped instead of each meter being boxed individually.* Units will be shipped and invoiced per individual purchase orders submitted to the vendor by SWS.
